

LiveSmiles

Your Intelligent
Wellness platform

A GLOBAL COMMUNITY MAKING WELLNESS AT WORK AN INTRINSIC PART OF OUR LIVES.

The LiveSmiles solution is technology built on top of Microsoft and LiveTiles platforms, and is provided to every company globally at no cost. LiveTiles is doing this because we are passionate about the wellness, happiness and health of employees, and the acceleration of social progress.

- Join the LiveSmiles Movement.
- Accelerate wellness in your workplace.
- Be a force for the pursuit of health and happiness.

Our Mission

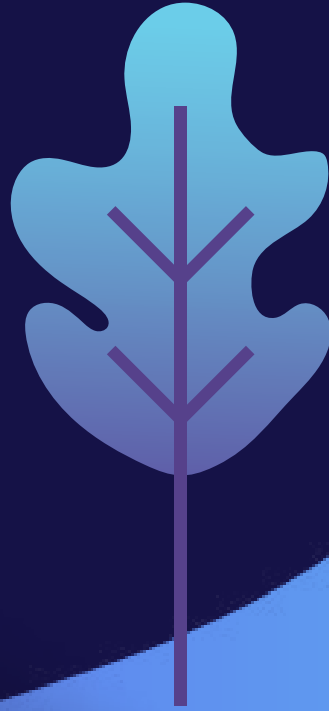

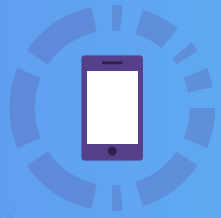

To transform the subject of wellness from an awareness initiative to an intrinsic part of life.

LiveSmiles

Your Intelligent
Wellness platform

How do I get involved?

LiveSmiles is driven and designed by its community: the users, experts and companies who care about the wellness of their colleagues, teams and families.

LiveSmiles is completely free-of-charge.

Join

Become part of the LiveSmiles online community at www.yammer.com/livesmiles and help shape the future of wellness at work. Propose and test features, recommend resources and contribute to the discussion.

Become a partner

Extend LiveSmiles to add more value to your customers, contribute to the solution or explore app integrations by visiting www.livetiles.nyc/livesmiles

Become a user

Implement the solution in your organisation to turn health awareness into a genuinely engaging wellness solution for employers and employees alike by visiting www.livetiles.nyc/livesmiles

Advocate

Spread the news about #LiveSmiles and advocate for the importance of wellness in the workplace, and beyond.
